## Overview

Most of the information accessible on the Lone Wolf Real Estate Technologies Inc. website does not require you to identify yourself. You may access it anonymously. However, Lone Wolf Real Estate Technologies Inc. does collect personal information from you when you choose to provide it. We endeavour to collect only as much personal information as is absolutely necessary to assist you in conducting business with Lone Wolf Real Estate Technologies Inc. via the website.

## Purposes for which we collect Personal Information

We collect and retain personal information for the following purposes:

- To process your requests for services, products or further information
- To communicate with you regarding services, products or additional information that you have requested
- To identify you if you have a query or concern about the service or product that you have requested
- To advise you about changes to our web service offerings and of service interruptions
- To meet legal and regulatory requirements
- Correcting/Updating personal information

If your personal information changes (e.g. name, address, postal code/zip code, email address, telephone number, etc.), or you no longer desire our services, we will endeavour to provide a way to correct, update or remove this information. Details of how to do this are usually provided on the web page where the information is collected or displayed.

## Use and Disclosure of Personal Information

Lone Wolf Real Estate Technologies Inc. is the sole owner of the information collected on any of its websites. We do not use or retain personal information that you provide to us for any secondary purposes unless we notify you of the use of your information and are granted your permission first. We will not sell, share, rent or otherwise disclose your personal information to any organization or individual outside Lone Wolf Real Estate Technologies Inc. unless we first notify you and are granted your permission. The exceptions to this policy of non-disclosure are stated below.

Lone Wolf Real Estate Technologies Inc. may disclose your personal information:

- To companies contracted to process your requests
- For law enforcement purposes

We use IP addresses to analyze trends, administer the site, and gather broad demographic information for aggregate use. IP addresses are not linked to personally identifiable information. We may occasionally report aggregated demographic information in the form of reports and statistics but this is not linked to any personal information that can be used to identify any individual person.

Some of the Lone Wolf Real Estate Technologies Inc. sub-systems require the use of “cookies”. For example, we use cookies when you login over the Internet to save the contents of your work as you proceed from one screen
